

Objective:

---

What: Turtle Debugging Continued

How: Using Turtle Library

---

Standards:

---

7-8.CT.6 Design, compare and refine algorithms for a specific task or within a program.

Vocabulary:

1. Debug
2. Size
3. Syntax

Agenda

1. Welcome/Refresher 3 mins
2. Do Now 7 mins
3. I DO 10 mins
4. We Do

Do Now 7-mins:

---

1. How can debugging help someone?

I DO 10 mins

Play the video below to display to students real world code application of coding.

[Turtle Debugging](#)

We DO 10 mins

Debug the error in the video shown.

You DO 5 mins

Reflecting on useful libraries can be for coding.

1. Where does the word debugging come from?
