

Objective:

---

What: Draw multiple shapes

How: Using Turtle Library

---

Standards:

---

7-8.CT.6 Design, compare and refine algorithms for a specific task or within a program.

Vocabulary:

1. Transparency
2. Size
3. Syntax

Agenda

1. Welcome/Refresher 3 mins
2. Do Now 7 mins
3. I DO 10 mins
4. We Do

Do Now 7-mins:

---

1. What images can be created using rectangles.

I DO 10 mins

Play the video below to display to students real world code application of coding.

[Draw a Rectangle](#)

We DO 10 mins

Using the imports from the turtle Library draw multiple shapes .

You DO 5 mins

Reflecting on useful libraries can be for coding.

1. What can you use the shapes to create?
